Prisoners in Sing Sing, Auburn Under Full Headway Drawing a and Dannemora Will Have to Be Resentenced, Says Warden Johnson.

There are five hundred prisoners in the three State prisons who are said to of them will have to be brought before the Judges who sent them to prison and be resentenced. The fact that this state of affairs existed was brought out when Warden Johnson, of Sing Sing, refused to accept Edward Goeley, who was sent to prison for a term of not less than two years and not more than three years by Judge W. H. Pratt, of Westchester. Goeley is charged with bur-

Train When Boiler Suddenly Exploded, Manding the Engineer and Fireman.

BUFFALO, March 23.-Two men wer ave been illegally sentenced, and all a freight engine on the Lehigh Valley Railroad at Wende, a few miles east o this city, to-day. The victims wer Thomas Finkler, engineer, and Orange Osgood, hreman, both of Buffalo,

Osgood hreman, both of Buffalo.

According to a report received by Supt. Keith the engine, drawing a freight train, was on its way to Manchester, Pa. As it was passing through Wende there was a hissing of steam, followed by a terrific explosion. The engine was wrecked and the two men were terribly injured, dving instantly.

The train consisted of fifty-eight cars drawn by an engineer of the Mother Hubbard type. The explosion hurled the boller from the trucks a distance of 200 feet. The fireman's body was found one in hundred feet from the wreckage. His clothing was en fire and he was terribly injured. He died in fifteen minutes. The engineer's body fell out of the cab as it went flying through the air. He was instantly killed.

Brakeman Gorom had a most remarking the scape. He was blown out of the engineer. In the Mother Habbard type of engine, the engineer's cab is well for ward over the boiler. Gorom said he never knew anything about the explosion until it was all over.
